PRESIDENT: Thank you. Are there resolutions?

CLERK: None.

PRESIDENT: Are there bills for introduction?

CLERK: Mr. President, I move for the introduction of the attached bill. (Signed) Senator Barnett (read)

PRESIDENT: The Chair recognizes Senator Barnett for his motion.

SENATOR BARNETT: Mr. President, I move that the Legislature accept this bill for introduction. Lancaster County needs a Purchasing Agent or facilities or the capability of having one and they have asked me to have this bill introduced. And therefore I am passing out an introducers statement of purpose. I hope you all have it on your desk. But I would ask for the adoption of this motion.

PRESIDENT: Is there any further discussion of the motion? Senator Barnett, you say the statement of intent is on the desk?

SENATOR BARNETT: Yes, it is. That's what they are doing right now.

PRESIDENT: Thank you. Do they need time to read it?

SENATOR BARNETT: Well I tell you..I can read it for them if you want me to while they are passing it out. It's just about three lines. This act is relating to county government and officers; to provide for a purchasing agent in counties have one hundred fifty thousand inhabitants.

PRESIDENT: Any further discussion of the motion? The question is then. Senator Marsh did you want to recognized? The question is then; should the motion be sustained? All those in favor of introducing the bill as Senator Barnett has explained will vote aye, all those opposed will vote no. This motion is for the introduction of the bill as explained by Senator Barnett. Have you all voted. The motion is for the introduction of a bill as explained by Senator Barnett. Thank you. Clerk will record.

PRESIDENT: Is that a motion?

CLERK: Yes.

PRESIDENT: Senator Carpenter we are ready for your motion regarding the west door.

SENATOR CARPENTER: Mr. President I have had a number of complaints from members because of the fact it is unrealistic to have the west door closed, when the workmen are not working there.
